even those tween and teenage readers. If you love to read but hate spending money on books, then this is just what you're looking for.

3 Liter Duratec Engine Head

The 2000-'01 Lincoln and Jaguar 3.0L Duratec engines use a slightly different head casting (XW4E). In 2002, the head castings numbers changed (1X4E) on these engines, but the heads appear to be identical. The front timing cover on the 3.0L Duratec has undergone various changes to accommodate changes in the valvetrain.
