This is very important for a useful guide, do you agree? Besides, key moments are tagged with quotes. Book looks really cool. What we'd like to emphasize: • The main feature of “3DS Max projects” is a detailed, step-by-step description of working process. Authors strived not only to show beautiful and talented works in their final form, but also to reveal process stages and principles, to tell readers what artists were inspired by and what methods they used;
