everyone think's you've slept with the whole football team and then some. My junior year of high school I gave my heart to Corey Winchester. He was handsome, cocky, and a pure gentlemen. Then everything changed in an instant. When I found out he was spreading malicious rumors about me, after I refused to sleep with him I was utterly surprised. To add to it, he broke up with me in front of the whole school. I essentially became the laughing stock of the town. People that I once called my friends became my enemies. They were finding a way to ruin my life one day at a time. Now the shitty part is I should have known a pretty boy like him was too good to be true. After ruining my reputation and life I did everything I could to stay under the radar, but it just wasn't enough. I slowly learned that all the torment and hate was all for one thing. Revenge. That's what Corey wanted, and why I didn't know. Then Rex Winchester came along. Corey's cousin and someone I knew I shouldn't be getting close with. A whole six feet of hotness, a smile that melted the panties off of every girl in a fifty mile radius, and a heart of gold. He could have anyone he wanted, so why he chose me Corey's ex, the bullied, slutty girl was beyond me. All I knew was that I wanted him. I wanted him more than anything. The problem was, I couldn't tell if Rex was just like Corey or if his intentions were as innocent as he was making them out to be. My name is Jenna Haines and this is the story of how the one thing I wanted turns out to be the one thing that would hurt me the most. What happens when the one thing you least expect to happen does? What happens when all the lies and all the secrets come out?

image, ruined my brother's life. She made it personal. It was no longer just a rivalry between our parents. Now she's here, at Bayshore University, without her family's protection. There's nothing to stop us from getting our revenge on her, no one to tell us enough is enough. And so my brothers and I have devised a plan. We'll break her, have her falling at her knees for us in no time, and then we'll send her back to her family with a warning... Cross the Bishops again and you'll pay. *** HARLOWI've despised the smug, stupidly gorgeous Bishop brothers since I was a small child. Our families rivalry was one that started years before us and one that I wanted to end. I was tired of being my parent's puppet, tired of the games, of the hate. All I wanted was to enjoy college and move on with my life. But your past can never stay hidden, right? When the Bishop brothers turn up at my school I have no place to run. I know then they'll make certain I pay for every single bad-mouthed remark I or my parents ever made about them. At Bayshore, I'm at their mercy and they won't stop until my heart is a bleeding mess. AUTHOR NOTE: This is a reverse harem college bully romance that contains subject matter not suitable for all readers.

At least that's what I keep telling myself. I still love her. I loved him. She loves me, and she knows it... ... But this time she doesn't want me anymore, doesn't need me anymore.
