This book is great for developers, quality assurance engineers, testers, and test managers new to Apache JMeter, or those who are looking to get a good grounding in how to effectively use and become proficient with JMeter. No prior testing experience is required.

"One icy winter's evening in Budapest, a man runs straight into John Taylor as he walks home through the narrow streets. John falls over into the snow and looks up at the man's face. 'I felt very afraid. Because what I saw was me. My face looking down at me. My mouth saying sorry.' Who is the man, and how will John's life change?

This is the eBook of the printed book and may not include any media, website access codes, or print supplements that may come packaged with the bound book. The NCLEX-RN Practice Questions Exam Cram , Fifth Edition provides 1250 questions for the nursing student who wants to be better prepared for the exam. Updated to provide more relevant and challenging questions matching NCLEX adjustments made in 2015, this fifth edition improves upon the prior editions that have served as one of the most popular late-stage study tools for Nursing candidates. Anxiety about the exam is high among nursing students and results from the focus group say 'the more practice questions to study, the better'! The Exam Cram questions cover every topic the student will encounter on the real exam including more "new format" interactive questions. The Exam Cram gives the student as much experience with the real exam as possible. The NCLEX-PN Practice Questions Exam Cram , Fifth Edition offers a cram sheet for last minute study as well as the CD testing engine for that testing experience, a proven combination for exam success!

This program demonstrates procedures for taking temperature, pulse and respiration. DACUM coded.

Re-released in a second edition with new content. Laura Niles walked out the door and never looked back. As she left Washington, DC, her career was in ruins and her love life decimated. Her desperate flight eventually led her to Bliss, Colorado, where she managed to find a new home and a little peace. That will have to be enough because Laura cannot imagine finding happiness without the men she left behind. For five years, Rafe Kincaid and Cameron Briggs have searched for the only woman they ever loved. When she disappeared, everything became crystal clear. For one night, everything had been perfect and instead of embracing what they had found, they let it all slip away. They had let worries about their FBI careers and what others might think destroy the most precious gift they had ever been given. Now they have finally tracked her down, and they want answers. Laura is shocked when her former loves show up in her new home. When the full force of the FBI arrives with them, Laura knows that the quirky little town is in for a rough ride. The killer that ruined her life has been watching and waiting for the opportunity to strike again. For Rafe, Cam, and Laura it’s time for second chances — to stop a monster, and to reclaim everything they lost.

We’re the D’Artigo sisters: savvy half-human, half-Fae operatives for the Otherworld Intelligence Agency. My sister Delilah is a two-faced werecat and a Death Maiden. Menolly is a vampire married to a gorgeous werepuma. And me? I’m Camille, a Moon witch married to three hunky husbands, and I’m about to journey through the veils to search for a long lost legend… With the war in Otherworld raging, the Queen of Shadow and Night summons me to her court. Aeval orders me on a quest through the mists to find an ancient ally of hers. I am to seek out The Merlin and wake him from his long sleep. Surrounded by danger on all sides, with Morgaine and Bran along for the journey, I must pray they are allies rather than enemies, as we undertake a perilous search through the labyrinth of time…

1. PURPOSE. This Manual applies to all members of Coast Guard Forces who are involved with Coast Guard Auxiliary Operations, including Auxiliarists, military and civilian personnel. 2. ACTION. Area and district commanders, commanders of maintenance and logistics commands, commanding officers of headquarters units, assistant commandants for directorates, Judge Advocate General, and special staff offices at Headquarters shall ensure all Auxiliarists, all Directors of Auxiliary, and any military or civilian Coast Guard members who are involved with Auxiliary operations become thoroughly familiar with this Manual. Internet release authorized. 3. DIRECTIVES AFFECTED. The previous edition of the Auxiliary Operations Policy Manual, COMDTINST M16798.3D, is hereby canceled and should be recycled.

Two political titans forge a modern city and a vibrant public sector in this history of strong leadership at a time of national crisis. City of Ambition is a brilliant history of the New Deal and its role in the making of modern New York City. The story of a remarkable collaboration between Franklin Roosevelt and Fiorello La Guardia, this is a case study in creative political leadership in the midst of a devastating depression. Roosevelt and La Guardia were an odd couple: patrician president and immigrant mayor, fireside chat and tabloid cartoon, pragmatic Democrat and reform Republican. But together, as leaders of America’s two largest governments in the depths of the Great Depression, they fashioned a route to recovery for the nation and the master plan for a great city. Roosevelt and his “Brain Trust”—shrewd, energetic advisors such as Harold Ickes and Harry Hopkins—sought to fight the Depression by channeling federal resources through America’s cities and counties. La Guardia had replaced Tammany Hall cronies with policy experts, such as the imperious Robert Moses, who were committed to a strong public sector. The two leaders worked closely together. La Guardia had a direct line of communication with FDR and his staff, often visiting Washington carrying piles of blueprints. Roosevelt relied on the mayor as his link to the nation’s cities and their needs. The combination was potent. La Guardia’s Gotham became a laboratory for New Deal reform. Roosevelt’s New Deal transformed city initiatives into major programs such as the Works Progress Administration, which changed the physical face of the United States. Together they built parks, bridges, and schools; put the unemployed to work; and strengthened the Progressive vision of government as serving the public purpose. Today everyone knows the FDR Drive as a main route to La Guardia Airport. The intersection of steel and concrete speaks to a pair of dynamic leaders whose collaboration lifted a city and a nation. Here is their story.
