a strong reader and speller. Children ages 0-3 are developmentally tuned to the sound(s) of the language spoken around them. Young children are drawn to Doodling Dragons and desire to hear it read again and again while they mimic each sound. This provides not only an outstanding foundation for literacy skills but aids children in developing the building blocks for spoken language. Children ages 4-7 delight in hearing the sample words for each of the A-Z phonograms. By hearing and seeing their application within words, students develop phonemic awareness, or an understanding of how sounds combine to form words. Students also delight in the silly examples which provide another memory tool for
