For MBA/graduate students taking a course in corporate finance. Using the unifying valuation framework based on the Law of One Price, top researchers Jonathan Berk and Peter DeMarzo set the new standard for corporate finance textbooks. Corporate Finance blends coverage of time-tested principles and the latest advancements with the practical perspective of the financial manager. With this ideal melding of the core with modern topics, innovation with proven pedagogy, Berk and DeMarzo establish the new canon in finance. The second edition reflects the constantly changing world of finance, including information on the recent financial crisis, new behavioral finance research, and updated practitioner interviews.

This essential companion to the text provides detailed, accuracy-verified, class-tested solutions to every chapter problem. All the solutions, like the problems themselves, were written by the textbook authors. Scrutiny by Timothy Sullivan, Bentley University, and Mark Simonson, Arizona State University, guarantees unparalleled quality. Spreadsheet solutions to select chapter problems and Data Cases are available on the Instructor's Resource CD-ROM.

This title is a Pearson Global Edition. The Editorial team at Pearson has worked closely with educators around the world to include content, which is especially relevant to students outside the United States. For MBA/graduate students taking a course in corporate finance. An emphasis on modern theory blended with practice elevates students' financial decision making Using the valuation framework based on the Law of One Price, top researchers Jonathan Berk and Peter DeMarzo have set the new canon for corporate finance textbooks. Corporate Finance, 5th Edition blends coverage of time-tested principles and the latest advancements with the practical perspective of the financial manager. Students have the opportunity to "practice finance to learn finance" by solving quantitative business problems like those faced by today's professionals. With built-in resources to help students master the core concepts, students develop the tools they need to make sound financial decisions in their careers. For a streamlined book specifically tailored to the topics covered in the first one-semester course, Corporate Finance: The Core, 5th Edition is also available by Jonathan Berk and Peter DeMarzo. MyLab Finance is not included. Students, if MyLab Finance is a recommended/mandatory component of the course, please ask your instructor for the correct ISBN. MyLab Finance should only be purchased when required by an instructor. Instructors, contact your Pearson representative for more information.
