The third in the Pucked series, although each is a standalone focusing on a different couple. (Pucked and Pucked UP are both must reads too!) Pucked Over is Randy Ballistic (Balls) and Lily LeBlanc's story. Randy is a NHL player who more than lives up to his name both on and off the ice.

This can be read as a standalone, but I highly recommend you read Pucked first. Buck is a player (or was, until Sunny came into his life), he's trying is best to stay on the straight and narrow. Unfortunately for Buck, he seems to be a "Puck Bunny"magnet and finds himself, through no particular fault of his own, regularly on social media in compromising positions with other women.

\*\*\*The 2nd standalone novel in The Pucked Series\*\*\* Miller "Buck" Butterson has been banging his way through life ever since a puck to the face fixed his messed up front teeth. After five years in the NHL, deflecting goals on the ice and scoring them with puck bunnies, Miller has decided he's ready for a girlfriend. A real, non-bunny girlfriend to take on dates, and not jump into bed with after five seconds of conversation. Miller thinks he's found that woman in his teammate's sister. Except, unlike team captain and all-around nice guy Alex Waters--who happens to date his stepsister, Miller's media reputation as a manwhore is well earned. Beyond that minor detail, Miller doesn't know the first thing about relationships or the time and effort they require. Miller learns--eventually--that if he wants to make Sunshine "Sunny" Waters fall for him, he's going to have to do a whole lot more than show her his stick skills in the bedroom.

\*\*\*A standalone novel in The Pucked Series\*\*\* Lily LeBlanc isn't versed in the art of casual sex, but after seven years in an on-again, off-again relationship, she's definitely willing to give it a shot. And who better to try it with than her best friend's boyfriend's best friend? What could possibly go wrong? NHL player, Randy Ballistic, lives up to his last name on the ice and in the bedroom. His best friend and teammate has recently given up the puck bunnies and traded them in for a real girlfriend. And she just happens to have a seriously feisty, extra-hot best friend on the rebound. Randy's more than happy to be Lily's spring board back into the dating scene. But casual sex is only casual until those pesky things called emotions get involved. Once that happens, someone's bound to get pucked over.

As an NHL player, relationships haven't been my thing. Shrouded in secrecy and speculation, they never last very long. But then that's what happens when you require an NDA before the first date. Until Charlene. She's like a firefly. She's elusive, and if you catch her she'll burn bright, but keeping her trapped dulls her fire and dims her beauty. I caught her. And as much as I might want to keep her, I'll never put the lid on her jar. Not at the risk of losing her. So I've let her set the rules in our relationship. But as long hidden secrets expose us both, I discover exactly how fragile Charlene is, and how much I need her. We're all broken. We're all messed up. Some more than others. Me more than most.

\*A Standalone novel\* I'm NHL defenseman Lance Romero, AKA Lance "Romance." I'm notorious for parties and excess. I have the most penalty minutes in the league. I get into the most fights. I take the most hits. I'm a player on and off the ice. I'm the one women with no inhibitions want. Not because I like the notoriety, but because I don't know how to be any other way. I have secrets. Ones I shared with the wrong person, and she used them against me. Sometimes she still does. I should cut ties. But she makes it difficult, because she's the kind of bad I deserve. At least that's what I believed until someone from my past gets caught up in my present. She's all the good things in this world. She lights up my dark. I shouldn't want her. But I do. I should leave her alone. But I won't.

Being engaged to Alex Waters, team captain and the highest paid NHL player in the league, is awesome. How could it not be? In addition to being an amazing hockey player, he's an incurable romantic with an XL heart, and an XXL hockey stick in his pants. And he knows how to use it. Incredibly, orgasmically well. Alex is the whole package and more. Literally. Like his package is insane. Total world record holder material. So it makes complete sense that Violet Hall can't wait to nail him down to the matrimonial mattress and become Mrs. Violet Waters. It's so romantic. Violet is totally stoked to set a date. Eventually. At some point. Likely before the next millennium. Or when Violet stops getting hives every time someone brings up the wedding, and their mothers stop colluding on stadium sized venues. Whichever comes first. \*\*\*Forever PUCKED is a followup to PUCKED (The Pucked Series Book 1), while it is not necessary to have read Pucked Up (Book 2) or Pucked Over (Book 3) it is highly recommended to that you read Pucked first.\*\*\*

Ruby Scott is months behind on rent and can't seem to land a steady job. She has one chance to turn things around with a big audition. But instead of getting her big break, she gets sick as a dog and completely bombs it in the most humiliating fashion. All thanks to a mysterious, gorgeous guy who kissed--and then coughed on--her at a party the night before. Luckily, her best friend might have found the perfect opportunity; a job staying at the lavish penthouse apartment of hotel magnate Bancroft Mills while he's out of town, taking care of his exotic pets. But when the newly-evicted Ruby arrives to meet her new employer, it turns out Bane is the same guy who got her sick. Seeing his role in Ruby's dilemma, Bane offers her a permanent job as his live-in pet sitter until she can get back on her feet. Filled with hilariously awkward encounters and enough sexual tension to heat a New York City block, Shacking Up, from New York Times and USA Today bestselling author Helena Hunting, is sure to keep you laughing and swooning all night long.

\*\*\*The 1st standalone novel in The Pucked Series\*\*\* With a famous NHL player for a stepbrother, Violet Hall is well acquainted with the playboy reputation of many a hockey star. So of course she isn't interested in legendary team captain Alex Waters or his pretty, beat-up face and rock-hard six-pack abs. When Alex inadvertently obliterates Violet's misapprehension regarding the inferior intellect of hockey players, he becomes much more than just a hot body with the face to match. Suffering from a complete lapse in judgment, Violet discovers just how good Alex is with the hockey stick in his pants. Violet believes her night of orgasmic magic with Alex is just that: one night. But Alex starts to call. And text. And email and send extravagant--and quirky--gifts. Suddenly, he's too difficult to ignore, and nearly impossible not to like. The problem is, the media portrays Alex as a total player, and Violet doesn't want to be part of the game.

Amalie Whitfield is the picture of a blushing bride during her wedding reception--but for all the wrong reasons. Instead of proclaiming his undying love, her husband can be heard, by Amalie and their guests, getting off with someone else. She has every reason to freak out, and in a moment of insanity, she throws herself at the first hot-blooded male she sees. But he's not interested in becoming her revenge screw. Mortified and desperate to escape the post-wedding drama, Amalie decides to go on her honeymoon alone, only to find the man who rejected her also heading to the same tiny island for work. But this time he isn't holding back. She should know better than to sleep with someone she knows, but she can't seem to resist him. They might agree that what happens on the island should stay on the island, but neither one can deny that their attraction is more than just physical. Filled with hilariously scandalous situations and enough sexual chemistry to power an airplane from New York City to the South Pacific, Hooking Up is the next standalone, laugh-out-loud romantic comedy from Helena Hunting, the New York Times bestselling author of the Pucked series and Shacking Up.

An emotional, angst-ridden story about two childhood friends who learned to rely on one another to cope with their anxiety, only when it got to be too much, their families tore them apart. Now as college students, they must navigate adulthood and try to avoid falling into old behaviors, only problem is they've fallen in love.

A new standalone, laugh-out-loud romantic comedy by New York Times bestselling author Helena Hunting. Cosy Felton is great at her job--she knows just how to handle the awkwardness that comes with working at an adult toy store. So when the hottest guy she's ever seen walks into the shop looking completely overwhelmed, she's more than happy to turn on the charm and help him purchase all of the items on his list. Griffin Mills is using his business trip in Las Vegas as a chance to escape the broken pieces of his life in New York City. The last thing he wants is to be put in charge of buying gag gifts for his friend's bachelor party. Despite being totally out of his element, and mortified by the whole experience, Griffin is pleasantly surprised when he finds himself attracted to the sales girl that helped him. As skeptical as Cosy may be of Griffin's motivations, there's something about him that intrigues her. But sometimes what happens in Vegas doesn't always stay in Vegas and when real life gets in the way, all bets are off. Filled with hilariously awkward situations and enough sexual chemistry to power Sin City, Making Up is the next standalone in the Shacking Up world.
