Scott Foresman Social Studies (2005) components for Regions.

With rich content that captures children's imaginations and built-in reading and vocabulary instruction, your child will not only be learning, he'll be preparing for success while learning the responsibilities of citizenship at every grade level. Captivate your child with numerous colorful visuals and activities that will engage their interest in social studies. Connect, Experience, Understand Connecting is all about activating prior knowledge and jumpstarting your child's journey into social studies. Essential Questions help students see the "big ideas" they're learning about, and activate prior knowledge. They allow students to engage in an active discussion of what they already know about the topic, but also encourage them to think further. Scott Foresman Social Studies offers a variety of ways for your child to think critically about key concepts so they actively experience the world they live in. Developing true understanding means that students don't simply memorize facts, dates, and places. It means taking what they've learned and transferring that knowledge to new content, situations, ideas, and to their own lives. The goal is to help students become successful learners who will remember not only what they have learned, but how to learn more!

Like you we know that time is a precious commodity these days with packed schedules, testing requirements, and more. The newest addition to our product line can help you make the most of the time you have. The Quick Planning Guide - developed in conjunction with Grant Wiggins, President of Authentic Education and author of Understanding By Design - gives you the best of both worlds: planning suggestions to make the most of your time, and a focus on the Essential Questions that will drive student understanding. Scott Foresman Social Studies helps you make a difference.
