Can love blossom among the thorns? Refocused and determined, Nelle plans to snatch the spellbook and escape Roseward Isle once and for all. But when a powerful magic storm blows in-bringing with it a small castaway of mysterious origins-Nelle and Soran are obliged to lie low inside the lighthouse until it passes. Trapped in close quarters, they cannot hide from their deepening attraction. But fate is against them. Soran knows the nightmare he created will not remain bound much longer. He must convince Nelle to leave him, to escape Roseward before she becomes the Thorn Maiden's newest victim. And Nelle sees the moment fast approaching when she will betray Soran. He will never forgive her, but how can she do otherwise? Papa's life depends on her mission's fulfillment. Will two lost souls find their way through the tangled briar of lies and mistrust? Or will shadowy thorns tear them apart . . . forever?

A Darker Shade of Magic, from #1 New York Times bestselling author V.E. Schwab Kell is one of the last Antari magicians with a rare, coveted ability to travel between parallel Londons; Red, Grey, White, and, once upon a time, Black. Kell was raised in Arnes Red London and officially serves the Maresh Empire as an ambassador, traveling between the frequent bloody regime changes in White London and the court of George III in the dullest of Londons, the one without any magic left to see. Unofficially, Kell is a smuggler, servicing people willing to pay for even the smallest glimpses of a world they'll never see. It's a defiant hobby with dangerous consequences, which Kell is now seeing firsthand. After an exchange goes awry, Kell escapes to Grey London and runs into Delilah Bard, a cut-purse with lofty aspirations. She first robs him, then saves him from a deadly enemy, and finally forces Kell to spirit her to another world for a proper adventure. Now perilous magic is afoot, and treachery lurks at every turn. To save all of the worlds, they'll first need to stay alive. "A Darker Shade of Magic has all the hallmarks of a classic work of fantasy. Schwab has given us a gem of a tale...This is a book to treasure." [Deborah Harkness](#), New York Times bestselling author of the All Souls trilogy [Shades of Magic](#) series 1. Once upon a past. . . Millie had been a ghost for 800 years. But now, restored by the magic of Xanth, she was again a maddeningly desirable woman. She could have had any man she wanted . . . except the one she did want, Jonathan the zombie. To grant Millie her desire, and to prove his right to rule Xanth in the future, young Magician Dor embarked on a quest for the elixir which would restore Jonathan to full life. But the potion could be found only in the past . . . so, through a magic tapestry, to the past he went, taking over the body of a barbarian warrior. The first person he encountered there was Jumper, a giant spider—a nightmare monster, but a staunch friend and much-needed ally in peril-haunted, ancient Xanth. Then Dor met Millie—800 years younger, but just as

lovely. And he realized that, in his new body, he was no longer twelve years old . . .

What's worse than being hunted by a devil? Discovering you've been mated to one. Since moving to Mystic Harbor, Maine, I've made it my life's mission to avoid Reese Blackburn at all costs. Sure, he has cheekbones that could cut glass, not to mention bedroom eyes that could melt any girl into a puddle on the floor. Too bad that doesn't change the fact he's completely stab-worthy. When a fun night out on the town turns deadly, I quickly discover the quaint little hamlet of Mystic Harbor houses more than sandy beaches and adorable B&B's. Beneath the New England charm rests a deadly world where shifters, demons, vampires, and angelic hunters all vie for power. A world where magic is the greatest weapon. Magic that people are willing to kill for. Magic that I now possess. After that one fateful night, I can feel the changes beginning to take hold of me. Worse yet, I have no idea what I'm even turning into! All I know is someone wants me dead, and someone even worse wants me alive. Hell's mystifying Crown Prince of Lust has just marked me to be his Mate, and this handsome devil won't stop until he claims what is his. My only real ally rests in the one person I can't stand: the insufferably gorgeous Reese Blackburn. I was just your average seventeen-year-old girl. Now, my very soul is at stake. Can my unlikely partnership challenge fate itself before it's too late, or will I be forever damned as a Princess of Hell? Dark. Romantic. Dangerous. And Sexy As Hell. Perfect for fans of The Vampire Diaries, Teen Wolf, and all things Supernatural. If you love paranormal romances, urban fantasy, fated mates, magic, vampires, shifters, demons, teen fantasy, mythology, tragic romances, Gothic themes, supernatural creatures, young adult dark fantasy, and some devilish bad boys, then the world of THE MARKED MAGE CHRONICLES awaits you!

Doing what's right made so many things wrong. I had to get Jack - no question. I just didn't realize bringing him home would require so much trust from everyone. When that trust is strained, we all suffer. I'll protect what's mine, but my team's bonds are being tested. Threats are suddenly everywhere - inside our magical barrier, inside our safe house, and even inside my mind. Our enemies are closing in, and we can't hide much longer. My men called me Queen once, and now I know what we're going to need to win this battle. I'm Carlyle Licorne, and I'm ready to claim who I am. Ready to find out how fierce this Qilin can be? Cass Clereaux likes her job. It's simple-steal the magic, don't get killed. FireSouls like her are perfect for magic treasure hunting. Their dragon soul helps them find treasure, their wicked powers help them steal it. But there's a big freaking downside-FireSouls are hunted. If either of the magical governments figures out what she is, she can kiss her life goodbye. When the Alpha Council comes to her with a special job, it's a no-brainer to turn it down, no matter how much money they're offering. Shifters who can sniff out her weird magic are the last supernaturals she needs to be around. Worse? They have a history of hunting FireSouls. But when Cass learns that a little girl's life is at stake and Cass is her last hope, she doesn't have a choice. With her sisters and Aidan Merrick at her back, she's got a chance at saving the girl and keeping her deadly secret-until she learns there's far more to this kidnapping than meets the eye. It's far too similar to what happened to her as a child, and everything new that she learns scares her even more.
