The Vintage Guide to Love and Romance is a warm, feel-good novel full of laugh-out-loud humour and irrepressible charm by Kirsty Greenwood, author of Yours Truly and Big Sexy Love. Jessica Beam is a girl who knows how to party. Only lately she’s been forgetting to turn up for work on time. Or in clean clothes. Down on her luck, out of a job and homeless, Jess seeks the help of her long-lost grandmother. Things aren’t going well for Matilda Beam, either. Her 1950s Good Woman guide books are out of print, her mortgage repayments are staggering and her granddaughter wears neon Wonderbras. When a lifeline from a London publisher arrives, the pair have an opportunity to secure the roof over their heads – by invigorating the Good Woman guides and transforming modern, rebellious Jess into a demure vintage lady. The true test of their make-over will be to capture the heart of notorious London playboy Leo Frost and prove that Matilda’s guides still work. It’s going to take commitment, nerves of steel and one seriously pointy bra to pull this off . . . \* Contains some strong language \*

Vintage is Susan Gloss ’ s sparkling debut novel in the Vein of The Friday Night Knitting Club, centered around a Midwestern vintage clothing shop and a group of women who eventually transform the store and each others ’ lives. At Hourglass Vintage in Madison, Wisconsin, every item in the boutique has a story to tell . . . and so do the women who are drawn there. Violet Turner has always dreamed of owning a shop like Hourglass Vintage. When she is faced with the possibility of losing it, she realizes that, as much as she wants to, she cannot save it alone. Eighteen-year-old April Morgan is nearly five months along in an unplanned pregnancy when her hasty engagement is broken. When she returns the perfect 1950s wedding dress, she discovers unexpected possibilities and friends who won ’ t let her give up on her dreams. Betrayed by her husband, Amithi Singh begins selling off her old clothes, remnants of her past life. After decades of housekeeping and parenting a daughter who rejects her traditional ways, she fears she has nothing more ahead for her. An engaging story that beautifully captures the essence of women ’ s friendship and love, Vintage is a charming tale of possibility, of finding renewal and hope when we least expect it.

Vintage Notions Monthly continues to share the work of Mary Brooks Picken and the Woman’s Institute which inspired my book Vintage Notions. Although the Institute was founded 100 years ago, the treasure trove of lessons and stories are still relevant today and offer a blueprint for living a contented life. In honor of the 100th Anniversary of the Institute, we are releasing the series Vintage Notions Monthly, which features a curated collection of Woman’s Institute materials including lessons, essays & patterns. Every issue will include: \* Excerpts from the Institute’s newsletter Inspiration & magazine Fashion Service \* Vintage fashion and dressmaking articles with illustrations ideal for coloring \* Inspiring essays, stories & student testimonials \* Lessons & techniques for sewing embroidery, cooking & millinery \* A Magic Pattern - Magic Sewing Pattern - an easy-to-make fashion drafted using diagrams & your measurements Issue Six content: \* Excerpts from June 1920 issue of Inspiration newsletter \* Part 2 of the Spring/Summer 1922, Fashion Service Supplement \* Magic Sewing Pattern - Shoulder Bolero \* Collectible vintage fashion illustrations by Alice Seipp \* Excerpts from How to Start Your Studies booklet, 1923 Take a Look Inside the Book to see how much you are going to love this issue! Note from author, Amy Barickman: "All my life I have been fascinated by fashion, sewing and all things vintage. As the owner of Indigo Junction, a sewing pattern company, and author of a library of craft books, I have spent a lot of time researching sewing publications that have been released throughout the years. It was during this research that I came upon a name that would have a huge impact on my career, Mary Brooks Picken. A pioneer in the sewing arts, Mary Brooks Picken was the author of almost 100 needlework, sewing, and textile books. Regarded as an authority on dress, design, and sewing, she founded the Woman’s Institute of Domestic Arts and Sciences (1916-1932) in Scranton, PA. At one point the institute had an enrollment of 300,000 women across the world connected through its correspondence courses and publications. Why create a Vintage Notions Monthly? When I read the story of Mary Brooks Picken and started to grasp the magnitude of her influence, I was compelled to collect and archive her numerous works. I believe I now have acquired the largest collection of Woman’s Institute publications in the world. Although this Institute was founded 100 years ago, the treasure trove of lessons and stories are still relevant today and offer a blueprint for living a contented life. To celebrate the 100th anniversary of this influential institute, what better way than to introduce the material to a modern community than with the internet? (I think Mary would be thrilled!) Inside the pages of this magazine you will find articles on sewing, cooking, decorating and even upcycling as well as testimonials from students. An original issue of the Inspiration newsletter is combined with articles I curate from Fashion Service, another popular Woman’s Institute publication. I also add a "Magic Pattern" each month for those of you who are looking for quick and easy sewing projects! In this inaugural issue several pages of promotional content are included to give you a window back in time to a student’s perspective. I invite you to join our online community.
