Welcome to Mr. Tredinnick's Human Geography Class This Course Uses Human Geography: A World of Interaction by Kyle Tredinnick This one semester class will introduce students to the systematic study of patterns and processes that have shaped human understanding, use, and alterations of the Earth's surface.

Human Geography (Tredinnick)

History of Human Geography. Human geography developed out of the University of California, Berkeley and was led by Professor Carl Sauer. He used landscapes as the defining unit of geographic study and said that cultures develop because of the landscape and also, conversely, help to develop the landscape.
