Here is an updated version of the \$domain website which many
of our East European book trade customers have been using for
some time now, more or less regularly. We have just introduced
certain upgrades and changes which should be interesting for
you. Please remember that our website does not replace
publisher websites, there would be no point in duplicating the
information. Our idea is to present you with tools that might be
useful in your work with individual, institutional and corporate
customers. Many of the features have been introduced at
specific requests from some of you. Others are still at
preparatory stage and will be implemented soon.
