Book Review: Principles of Investigative Documentation by Philip Becnel. I recently finished reading Philip Becnel's Principles of Investigative Documentation (affiliate link), which goes through an in-depth look at documenting a private-sector investigation. The book dives into the process of documenting the investigation from start to finish, including tips on taking notes, privilege and confidentiality issues, creating a "running resume" (like a journal), document retention and ...

The documentation of each and every survey should be treated as if it will be subject to close scrutiny. The determination of compliance, as well as noncompliance must be based on objective, factual observations and not vague conclusions. A judge will usually rely on the Form CMS-2567 if the documentation is thorough and comprehensive.

Principles of Documentation - CMS
1. The purposes of effective investigation and documentation of torture and other cruel, inhuman or degrading treatment or punishment (hereinafter "torture or other ill-treatment") include the following: (a) Clarification of the facts and establishment and acknowledgement of individual and State responsibility for victims and their families;
