It's easy to search Wikibooks by topic, and there are separate sections for recipes and childrens' textbooks. You can download any page as a PDF using a link provided in the left-hand menu, but unfortunately there's no support for other formats. There's also Collection Creator - a handy tool that lets you collate several pages, organize them, and export them together (again, in PDF format). It's a nice feature that enables you to customize your reading material, but it's a bit of a hassle, and is really designed for readers who want printouts. The easiest way to read Wikibooks is simply to open them in your web browser.

Reclaiming Yourself From Binge Eating

There's something in it for everyone. There is a giant section on mindfulness and meditation and it teaches you how to be mindful and how to meditate. It then talks about concrete steps to take to just stop binge eating. There is also solid section on nutrition and understanding the physiology of hunger.
