Put Not Your Trust In Money. This book covers the birth of the investment trust industry in the 1860s and its subsequent development. It's over 20 years old now and only second-hand copies seem to be available. A taster chapter from John Newlands, the book's author, is available in the 2018 Investment Trust Handbook.

The Best Books About Investment Trusts

needs trusts can make this term more confusing than other types of trusts, since the true grantor for some purposes may not be the same as the person signing the trust instrument. If, for example, a parent creates a trust for the benefit of a child with a disability, and the parent's own money funds the trust, the parent is the grantor.
