The Only Way To Cross

Made obsolete with the advent of jet travel, ocean crossings - once, the only way to cross - is simply a memory of that declining population that experienced it. It mirrors as well the decline of the British empire that was the symbol of that travel. It was so much more than simply going from one part of the world to another.

The Bible teaches that there is no other way to salvation than through Jesus Christ. Jesus Himself says in John 14:6, "I am the way, the truth, and the life. No one comes to the Father except through me." He is not a way, as in one of many; He is the way, as in the one and only. No one, regardless of reputation, achievement, special knowledge, or personal holiness, can come to God the Father except through Jesus.

Like all prayers, the Sign of the Cross should be said with reverence; we shouldn't rush through it on the way to the next prayer.

How and Why Catholics Make the Sign of the Cross

In our Statement of Faith, we state that Jesus Christ is the ONLY WAY to eternal salvation with God the Father, that there is no other name under heaven by which man can be saved, and that no one comes to the Father except through Jesus Christ and His sacrificial death on the cross. We believe that Jesus Christ is the only way that leads to eternal life with God the Father and that there is no other mediator or savior between God and man other than Jesus Christ.
